THE TOMCAT

Published by

DEDICATION

We, the Senior Class of 1964, dedicate this, The Tomcat, to Mr. William Grady Teague, who has been with us throughout our past school years and has always been ready and willing to help us. In a real sense, he has given us a blueprint upon which we can build as individuals. We know that Mr. Teague will never lose his cheering smile and friendly way.

DEATH, BE NOT PROUD
By John Donne

Death, be not proud, though some have called thee
Mighty and dreadful, for thou are not so;
For those whom thou think'st thou dost overthrow
Die not, poor Death; nor yet can'st thou kill me.
From rest and sleep, which but thy picture be,
Much pleasure; then from thee much more must flow;
And soonest our best men with thee do go -
Rest of their bones and souls' delivery!
Thou'rt slave to fate, chance, kings, and desperate men,
And dost with poison, war, and sickness dwell;
And poppy or charms can make us sleep as well
And better than thy stroke. Why swell'st thou then?
One short sleep past, we wake eternally,
And Death shall be no more: Death, thou shalt die.

SUPERINTENDENT'S MESSAGE

I am sitting in my den drumming my fingers on the desk, trying to formulate what is in my heart so that this message will be genuine and; therefore, of some value to you students and to our departing seniors.

I think about how some students have wasted their time and talents. I think about how some have been problems and of the troubles they have had and the trouble they have been to their fellow students and teachers. I think of the mistakes they have made and the mistakes they are now making. What a terrible, tragic waste I cry! If there were some sure way to get all of you to understand the value of a good education, to understand the good feeling that comes from a job well done. If there were only some sure way---.

The drumming of the life-giving rain suddenly drowns out the drumming of my fingers and wipes away these morose thoughts. I think of the many ways that Tom Bean Schools have been blessed - decent young people, good parents, and wise and just citizenry, good churches, good teachers. Surely we will all make mistakes, but surely with these blessings, we shall pass the tests of life.

Sincerely,

Tim F. Kelly

On behalf of the yearbook staff we would like to dedicate the sports section of our 1964 Tomcat to Mr. Bob Taylor, our football, basketball, and baseball coach.

Even though we did not win many football games, we know it takes more to win a game than just a score. But we did so well in basketball we do not have too much right to complain. We brought home the 2nd place District Trophy.

AT YOUR SERVICE—TODAY AND TOMORROW

Young men and women in school don't give much thought to electric service. All that counts is that the study lamp or hi fi or radio or TV works. Someday, though, when you have a home—or perhaps a business—of your own, you'll decide electricity is pretty important. Then, as now, we'll have plenty of power ready and waiting for you . . . for better living and better working.
